

# Ring on Every Finger

## LOCASH

I got a poundin' in my chest baby  
Feels like I'm 17 again.  
Got somethin' burning a hole in my pocket lately  
Done asked your daddy, done told your friends.  
I ain't gettin' down on one knee  
Girl, I'm gettin' on two. Might be over the top but I'm gonna tell you what I'm gonna do  
I'll put a ring on every finger  
Just to show that I'm legit.  
Gonna try my last name on ya  
Just to see if it fits.  
If I could baby  
Oh I would marry you a million times,  
Put a ring on every finger  
Just to show the whole world that you're mine.  
Show the whole world that you're mine.  
Well Senorita, can't nothin' be sweeter  
Than you in that white weddin' dress,  
Even that church and limousine. Girl, why you cryin'?  
It ain't rocket science  
All you gotta do is say yes.  
Spend the rest of your life with me.  
Don't you know I ain't gettin' down on one knee  
Until I'm gettin' down on two.  
It might be over the top girl  
But I'm gonna tell you what I'm gonna do  
I will put a ring on every finger  
Just to show that I'm legit.  
Gonna try my last name on ya  
Just to see if it fits. If I could baby  
Oh I would marry you a million times,  
Put a ring on every finger  
Just to show the whole world that you're mine.  
Show the whole world that you're mine  
Let's spend this life together Droppin' f bombs like forever  
With the whole world as a witness  
Gonna flip that Miss to a Mrs.  
Gonna spend this life together  
Droppin' f bombs like forever  
With the whole world as a witness Gonna flip that Miss to a Mrs.  
I will put a ring on every finger  
Just to show that I'm legit.  
Go ahead and try my last name on ya

Just to see if it fits.  
If I could baby Oh I would marry you a million times,  
Put a ring on every finger  
Just to show the whole world that you're mine.  
Put a ring on every finger  
Just to show you I'm legit  
Gonna try my last name on ya  
Just to see if it fits. If I could baby  
Oh I would marry you a million times,  
Put a ring on every finger  
Just to show the whole world that you're mine.  
Show the whole world that you're mine
