

Eon

Celldweller

I'm pushing through facedown
I'm pacing inside this empty room
Told to wait til my life's withdrawn
Uneasy, I'm waiting here anxiously
It's a waste and I won't wait another Eon
 Endless night
 Long for light
 My head against this tomb
 And pushing through
 I'm pushing through
 Facedown and pushing through
 Trapped and isolated
 Time is dislocated
Eternity is what a moment seems
 When I can't feel anything
 Erasing my final memories
They won't stop til my whole life's gone
 Uneasy, I wait for normality
It's a waste and I won't wait another Eon
 When life is gone without a trace
 And hope is lost in time's embrace
I won't wait or hesitate; I'm pushing through facedown
 I won't wait or hesitate; I'm pushing through...
 If time's a song, I won't wait for its reprise
 I am done wishing farewells and goodbyes
 I won't let this place overshadow my birthright
 I won't wait another Eon
Impatiently, I'm cutting through the earth in front of me
 Bone on stone, blood and sweat married
Can't hear the voice that whispers fears when my heart is pounding in my ears
 All I see in my mind is not what I've left behind
 But all the things I've been missing in that lost Eon
 Trapped and isolated
 Time is dislocated
 Eternity is what a moment seems
 When I am lost inside this dream
 When I can't speak and I can't scream
 And I can't feel anything
