

# When It All Comes Down

Bonnie McKee

I knew, she knew  
We both knew  
That someday all of this would end  
I tried to help  
But all I seem to do is hurt  
Not only her, but myself  
And someday,  
I'll be on the road again  
And someday, ah ha  
I'll meet you at the top, my friend  
Don't cry, don't cry...  
Although I know it's hard to comprehend  
Don't cry, don't cry...  
I'll hold your hand if you'll hold mine  
When it all comes down  
Close your eyes  
I'll hold your hand, if you'll hold mine  
When it all comes down  
And take a big, deep breath  
It feels so empty  
Without my hand entwined with yours  
I don't know where to go  
Cause I'm all alone  
Ain't got nobody on my side  
Can't come around here no more  
And someday,  
I'll be on the road again  
And someday,  
I'll meet you at the top, my friend  
Don't cry, don't cry...  
Although I know it's hard to comprehend  
Don't cry, don't cry...  
I'll hold your hand, if you'll hold mine  
When it all comes down  
Close your eyes  
I'll hold your hand, if you'll hold mine  
When it all comes down  
Take a big, deep breath  
When it all comes down, I'll be there  
There is nothing for you to fear  
When it all comes down, you'll know  
You never have to stand alone  
I know you're feeling afraid, girl  
I know you're feeling alone  
But when you feel you can't make it on your own  
I'll hold your hand, if you'll hold mine  
When it all comes down  
Close your eyes  
I'll hold your hand, if you'll hold mine  
When it all comes down

And take a big, deep breath[by Vinny]
