## Robbie Williams

Visitors, engineering  
All we need is a clearing  
We dont know what to feed em  
Or even if were really needin Highway to the stars tonight  
Leave the bad news at home  
Highway to the stars tonight  
Look out below (Look out below)  
Look out below (Look out below)  
Look out below Sirius, can you hear me?  
I know youre there, will you steer me?  
51, I ll be waiting  
If you dont mind,  
I ll bring my mate in  
Highway to the stars tonight  
Leave the bad news at home  
Highway to the stars tonight  
Look out below (Look out below)  
Look out below (Look out below)  
Look out below In the Gentlemens Club  
(In the Gentlemens Club)  
They are passing round their radar (?) / radio (?) / red era (?)  
(They are passing round their radar)  
Its such a hollow balloon  
(Its such a hollow balloon)  
Telling people what to do  
(What to do)  
They are watching you  
(They are watching you)  
Entities all around me  
I cant explain how they found me  
Were occupied, but we dont know it  
And theres no way to expose it Highway to the stars tonight  
Leave the bad news at home  
Highway to the stars tonight  
Look out below (Look out below)  
Look out below (Look out below)  
Look out below Look out below (Look out below)  
Look out below (Look out below)  
Look out below Look out below (Look out below)  
Look out below (Look out below)  
Look out below (Look out below - look out below)  
(Look out below - look out below)

(Look out below)And even going home  
Dont you wanna go  
And even going home  
Dont you wanna go  
Dont you wanna go  
Dont you wanna go-o-o-o-o-o
