'Cause I fucked another ho (another ho)
I'm like, "Baby, I know I'm wrong,
But this just how life goes (how life goes)
And I know these niggas'd be happy if I let you go (oh no, no)"
Got me walkin' on a thin line, on my tippy toes (tippy toes)
Man this shit crazy
Different city with some different hoes, here we go
Every time the pack get gone
I get another load (another load)
My main bitch tryna leave me 'lone
'Cause I fucked another ho (another ho)
I'm like, "Baby, I know I'm wrong
but this just how life goes (how life goes)
And I know these niggas'd be happy if I let you go (let you go)"
Got me walkin' on a thin line,

On my tippy toes (tippy toes)
 Man this shit crazy
 Different city with some different hoes, here we go
 Tryna spend a whole M on some clothes (clothes)
 Got a bonus, I sold out a show (show)
 Gunna hot like a pot on the stove
 Yellow AP on all of my hoes (hoes)
 I like when that white on her toes
 Picture me ridin' around in that Rolls
 I put some ice on my wrist, it was swole
 I ain't got time to lay up with you hoes (hoes)
 All of these drugs in my body
 I gotta pay somebody keep checkin' my pulse
 Walk in the club with no wallet take care of that money
 They swing on the pole (pole)
 Water on me like Dasani
 I shine when it's sunny, this Platinum in Rolls
 Gunna Gunna out the streets

 But this just how life goes (how life goes)
 And I know these niggas'd be happy if I let you go (oh no, no)"

 but this just how life goes (how life goes)
 And I know these niggas'd be happy if I let you go (let you go)"
 Got me walkin' on a thin line,
 On my tippy toes (tippy toes)
 Man this shit crazy
 Different city with some different hoes, here we go
 Man this shit crazy, different city with some

 I can switch my girls up the same way that I change my clothes (okay)
 Man it's crazy, all blue backend in the envelope (let's get it)
 And you know I'm never lackin', gotta new whip that's up in traffic
 Water, water, water on my Patek (woah), it's automatic
 I drink water when I'm fastin' (water), you's a has-been
 They would love me in a casket, I can't have it
 Boy I'm far from average, better wait your turn, better get in line
 Every time the pack get gone,
 I get another load (another load)
 My main bitch tryna leave me 'lone

'Cause I fucked another ho (another ho)
I'm like, "Baby, I know I'm wrong,
But this just how life goes (how life goes)
And I know these niggas'd be happy if I let you go (oh no, no)"
Got me walkin' on a thin line,
On my tippy toes (tippy toes)
Man this shit crazy
Different city with some different hoes, here we go
Every time the pack get gone
I get another load (another load)
My main bitch tryna leave me 'lone
'cause I fucked another ho (another ho) Tryna spend a whole M on some clothes (clothes)
Got a bonus, I sold out a show (show)
