

It's Goodbye and so Long to You

Alison Krauss

You can send me pretty flowers,
You can send me valentines,
Send me letters everyday, but it won't pay.
Leap to my desires, nothing else will do.
It's goodbye and so long to you. {Chorus}
You can hang around and love me,
You can hang your head and cry,
Hang my picture on the wall, but I won't fall.
Kiss me when you're dreamin', no good that will do.
It's goodbye and so long to you.
---{Instrumental Break}---You can give me your affection,
You can give me all your love,
Give me all the things I crave, but I'll be brave.
All the things you offer, make me sad and blue.
It's goodbye and so long to you. {Chorus}
You can hang around and love me,
You can hang your head and cry,
Hang my picture on the wall, but I won't fall.
Kiss me when you're dreamin', no good that will do.
It's goodbye and so long to you.
You can call me your own darlin',
You can call me what you may,
Call me on the telephone, I won't be home.
Keep your old love letters, I'm all through with you.
It's goodbye and so long to you.
