

# Matrimony: Maybe You

Maxwell

Maybe you might be more than  
Just a one night lady  
Maybe you might be matrimony  
Trying to save me Maybe you may be the lady, lady love  
I'm prayin, dreamin, livin and thinking of Teach me 'bout me  
Tell me what you thought  
I thought, you thought, I thought  
Use me, drain me  
Of all the things you want  
You know girl can't be bought  
Maybe you might be  
Sweet matrimony  
A one-derful in-two a family
