

# You're Still a Mystery

## Bleachers

Thought I wanted to forget my past  
Tried to leave the pieces of a broken man  
What it cost I ain't ever getting back  
So I'm breaking the lines 'cause I wanna remember  
Man I was feeling like I never was young  
Followed a dream and a strange desire  
You picked me up in the dead of the night  
And gave me a chance to move on inside of your mystery  
Maybe I don't need to understand  
Why your love is such mystery  
Want to give you something better than I've been  
I wanna write your name up on my wall  
Wake you up in the dead of the night  
Breaking the lines just trying to get better  
Man I was feeling like I never was young  
No nothing simple 'bout the simple days I mourn  
If what I lost ain't ever coming back  
Then I can find a way to move inside of your mystery  
Maybe I don't need to understand  
Why your love is such mystery  
No god holding on tightly  
Your love holy inside me  
Someday I'm gonna make this right  
Someday when the lights are low  
Someday I'm gonna get on my knees  
Someday baby I'm gonna beg you  
Maybe I don't need to understand  
Why your love is such a mystery
