

Over Here (feat. Bobo Swae)

Rae Sremmurd

Over here, fireworks on bottles over here
(Aye, aye, aye, aye, aye)
Over here, world class bitches over here
(Aye, aye, aye, aye, aye)
Look over here, we got all the stars over here
(Aye, aye, aye, aye, aye)
Over here, money don't mean nothin' over here
(Aye, aye, aye, aye, aye) Why you over here? You mad bruh?
Why you over here? Too bad bro
Broke niggas all in the club but they ain't over here
Nah they ain't with the set
I make it rain til she wet
I sign my name on her chest
She kiss the G's on my belt, she Gucci
If I'm in the club I own it
If it ain't gas, I don't want it
Your bad bitches look borin'
My bad bitches look foreign
Them green guys like a green light, them bad bitches be goin'
I fucked your girl last night
And my niggas fucked her this mornin' Charlie Sheen is my clone, can they fuck with us? No
Red carpet my home, VIP is my throne Take me out of my zone I'ma take your ho
All my niggas on gold, everything on gold Over here, fireworks on bottles over here
(Aye, aye, aye, aye, aye)
Over here, world class bitches over here
(Aye, aye, aye, aye, aye) Look over here, we got all the stars over here
(Aye, aye, aye, aye, aye) Over here, money don't mean nothin' over here
(Aye, aye, aye, aye, aye) Chris Vernace red bottoms on the ball with the bottles no shots
We mergin' up the models, that's thots kissin' thots
I got a pocket full of condoms, I fucked your bitch yesterday
We do this shit every day, she got a tattoo of BoBo Swae
It's on her ass now
She like pink diamonds with the molly water, make her pass out
It's big bank when I'm in the club, I'ma walk and lick
That's why I'm talkin' shit So don't disrespect
Cause I'm with the set bitch
It's Hollyhood in the 'Ville, we all got the check
We, Swae, Mike, Miley Cyrus, made it mafia in this bitch
We got special effects, check the stats You know what it is, we in this bitch, we in this
bitch Over here, fireworks on bottles over here
(Aye, aye, aye, aye, aye)
Over here, world class bitches over here

(Aye, aye, aye, aye, aye)

My world class bitch takin' shot after shot cause she fully automatic with the clip
She bust it like a nina full of scent and I
I'm swimmin' in your bitch rockin' from shot to shotOver here, fireworks on bottles over here

(Aye, aye, aye, aye, aye)
Over here, money don't mean nothin' over here
(Aye, aye, aye, aye, aye)
