Unconditional Love

Jah Cure

You never see it coming

And the next thing you know

Unconditional love

Unconditional love

She aint lookin for no diamonds

And digging for no gold

Just somebody to love

Unconditional love

WoahFirst of january

Said you startin over

Your hearts been in remission

Makin a new beginning

And its been six months since you got sober

Taking a new position

To make a better decision

Then you head to the corner store

And forget what you went for

Just as soon as he says hello. Hello. You never see it coming then the next thing you know

unconditional love

Unconditional love

She aint lookin for no diamonds

And digging for no gold

Just somebody to love

Unconditional love

WoahYou never see it coming

And the next thing you know

Unconditional love

Unconditional love

She aint looking for no diamonds

And digging for no gold

Just somebody to love

Unconditional love

Woah

The fourteenth of FebruaryGot a cold shoulder

From someone so unexpected

You left your heart unprotected

Yeah

Then you built a china wall

Guard it like a soldier

People would call your phone

You act like nobodys homeAnd I went to the corner store

And I forgot what i went for

Just as soon as you said hello HellloooI never saw it coming And the next thing I know Unconditional love Unconditional loveI aint looking for no diamonds And digging for no gold Just somebody to love Unconditional loveYou never see it coming And the next thing you know Unconditional love Unconditional loveI aint looking for no diamonds And digging for no gold Just somebody to love Unconditional love WoahBe my baby My one and only Te amo Mi amor
