This is not a love song This is not a love song
This is not a love song
This is not a love song
Not a love song This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
Not a love song
This is not a love song Happy to have and not to have not
Big business is very wise
I'm crossing over into e-enterprize
Not a love song
This is not a love song
This is not a love song
This is not a love song
Not a love song, I know I'm going over to the other side
I'm happy to have and not to have not
Big business is very wise
I'm inside free enterprise This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
Not a love song
I'm adaptable, I'm adaptable
I'm adaptable and I like my new role
I'm getting better and better
And I have a new goal
I'm changing my ways where money applies This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
Not a love song
This is not a love song
Not a love song Now are you ready to grab the candle?
That tunnel vision, not television
Behind the curtain, out of the cupboard
You take the first train into the big world
Now will I find you, now will you be there? Not a love song

Not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
Not a love song This is not a love song
This is not a love song
Not a love song
This is not a love song
Not a love song
Not a love song
Not a love song
