

In Your Presence (Reprise)

[William McDowell](#)

Meet every need unspoken
Heal every broken heart
Lift every burden
In Your presence, Jesus
Restore what has been stolen
Speak peace to every soul
Let there be freedom
In Your presence, Jesus
Meet every need unspoken
Meet every need in Your presence, Jesus
Restore what has been stolen
Speak peace to every soul
Let there be freedom
In Your presence, Jesus
Meet every need unspoken
Heal every broken heart
Lift every burden
In Your presence, Jesus
Restore what has been stolen
Speak peace to every soul
Let there be freedom
In Your presence, Jesus
