

Bop Bop (feat. Eric Turner)

Inna

Bop bop close the shop
Big night on the rocks
Bop bop bop bop bop
Bop bop close the shop
Big night on the rocks
Bop bop bop bop bop
Let's go Woke up mexico
Tan lines
Here we go
Gin fizz
In my glass
Shake shake
Shake shake the shack
We meet all the cats
New scene fade to black
Bop bop bop bop bop
Bop bop bop bop bop Milkshakes on the rack
Just dancing in the street
Hands up holler back
C'mon dance with me
Hot hands on your hips
And work it baby pls
One kiss on the lips
It's summer by the sea
By the sea
By the sea Mr. frisky
Bop bop close the shop
Big night on the rocks
Bop bop bop bop bop
Bop bop close the shop
Big night on the rocks
Bop bop bop bop bop Wake up
It's time to blend
Everything
Throw the juices in
Mix it up till it's bubbling
Now your tripping of the good?
Get you rocking like an animal
Always ready baby
Locked and loaded
Bop bop bop bop bop
Bop bop bop bop bop Milkshakes on the rack

Just dancing in the street
Hands up holler back
C'mon dance with me
Hot hands on your hips
And work it baby pls
One kiss on the lips
It's summer by the sea
By the sea
