

# Faithful (feat. Rico Love)

## Plies

Watch this  
Turn the lights on Your pussy so good  
I wanna put alarm on it  
Like baby food, I wanna put my tongue on it  
If you's a stripper baby  
I'd put the ones on it  
I love getting on that liquor  
And going dumb on it  
I want it off the market  
Put it in the freezer  
And when I slide through  
You can unfreeze it  
You got flowers in  
You got that good seed  
Like being in the rain  
You get wet easy  
I swear the pussy so good  
I might fuck around and put something on it  
She said what you got on it?  
I said anything that you want girl  
But if I buy them bags, buy them shoes, buy them purse  
Then nobody better not be getting that pussy  
(Long as that pussy faithful, whatever she want is paid for)  
And if I paid them bills every month on the first  
Then nobody better not be getting my pussy  
(Long as that pussy faithful, whatever she want is paid for)  
I swear you do it so good  
I swear  
Turn the lights on  
You won't get the voicemail  
I answer you first call  
Even if your light red  
We still talk  
You're like sushi, baby  
I give it to you straight raw  
And I'm breaking bread, you the first off  
You like Florida to me, you stay warm  
I'm the real Energizer bunny  
But the hood version I keep going  
We start off with kisses  
You hear me snoring  
I show off your finesse

Then I hit you with bam bam bam I swear the pussy so good  
I might fuck around and put something on it  
She said what you got on it?  
I said anything that you want girl  
But if I buy them bags, buy them shoes, buy them purse  
Then nobody better not be getting that pussy  
(Long as that pussy faithful, whatever she want is paid for)  
And if I paid them bills every month on the first  
Then nobody better not be getting my pussy  
(Long as that pussy faithful, whatever she want is paid for)  
I swear you do it so good  
I swear  
Turn the lights on When it come to the snatch, you a poster child  
When it come to get it in, you versatile  
When it come to the threads, got your own style  
When it come to me, though  
Make you throw in the towel  
Your back cute, your ass better  
My ex was good, but you even better  
Need to run for office, the White House  
If it's bout how good your sex is, you gon' win hands down I swear the pussy so good  
I might fuck around and put something on it  
She said what you got on it?  
I said anything that you want girl  
But if I buy them bags, buy them shoes, buy them purse  
Then nobody better not be getting that pussy  
(Long as that pussy faithful, whatever she want is paid for)  
And if I paid them bills every month on the first  
Then nobody better not be getting my pussy  
(Long as that pussy faithful, whatever she want is paid for)  
I swear you do it so good  
I swear  
Turn the lights on
