

# Casual Affair

## Tonic

So you give it all  
In the world today  
You say it's all about the passion  
And the wars you wage  
I'm not saying I'm one for violence  
But it keeps me hangin' on It's a casual affair  
When everybody loves you  
Oh they'll pay top dollar  
Make you wear the dog collar baby  
When everybody loves you  
I said I'm not afraid of change  
I'm not afraid to lose  
They say it's all about the sacrifice  
And the weapons you choose  
Like I said I'm not one for violence  
But it keeps me hangin' on It's a casual affair  
When everybody loves you  
Oh they'll pay top dollar  
Make you wear the dog collar baby  
When everybody loves you It's a casual affair  
When everybody loves you  
Oh they'll pay top dollar  
Make you wear the dog collar baby  
When everybody loves you  
It's a casual affair  
When everybody loves you  
Oh they'll pay top dollar  
When everybody loves you
