

Diamond In the Rough

Airbourne

I had a dollar in my pocket
And dirt on my hands
She was a rich man's daughter
Who didn't give a damn
She had all the boys talkin'
With her fancy cat walkin'
But it was me who took her home
And gave her bed a good rockin'Cause at the end of the day
Honey when it's all said and done...
I can't get enough of that diamond in the rough
I can't get enough of your diamond in the rough
Early next morning
I woke naked and beat
And as the sun was rising
She was still lookin' like a treatI stuck my finger in the honey
Threw my dollar in the well
And when I made my wish
You know it was clear as a bellThat at the end of the day
Honey when it's all said and done...I can't get enough of that diamond in the rough
I can't get enough of your diamond in the rough
I can't get enough of that diamond in the rough
I can't get enough of that diamond in the roughI can't get enough of that diamond in the rough
I can't get enough of your diamond in the rough
