

# Maybe

[Redfoo](#)

Maybe I wrote this song 'cause I hate you  
Maybe I wrote this song to pay the bills  
Maybe I wrote this song for an excuse when we're alone  
Maybe I wrote this song to say I love you  
Maybe I wrote this song for the super fans  
Maybe I wrote this song to show them exactly who I am  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
