

# Fallin' (feat. Brad Simpson)

Taylor Grey

'Cause you're fallin', fallin', fallin' for me  
Yes i'm fallin', fallin', over you  
Now we're fallin', fallin', fallin' back down  
(Fallin' back down)  
Never things i can say  
Know i never liked to you  
(To you, to you...)  
Guess you got a pretty face  
And it don't mean much for eye  
I've got so much more to lose  
Uuh, you say that you wanna go back to our out waste, but it's not the same  
'Cause you put me down  
And it's funny how now are you fallin', fallin', fallin' for me  
Yes i'm fallin', fallin', over you  
Now we're fallin', fallin', fallin' back down  
'Cause you're fallin', fallin', fallin' for me  
Yes i'm fallin', fallin' over you  
Now we're fallin', fallin', fallin' back down  
Fallin' back down  
Never things i should've say  
(Should've say, should've say...)  
Things i said it once before  
Yeah  
Now i'm done of things i've change  
And it means to much to fight  
Say them anymore  
(Anymore, anymore...)  
Uuh, you say that you wanna go back to our out waste  
But it's not the same, 'cause you put me down  
And it's funny how now are you fallin', fallin', fallin' for me  
Yes, i'm fallin', fallin' over you  
Now we're fallin', fallin', fallin' back down  
(Fallin' back down, fallin' back down)  
'Cause you're fallin', fallin', fallin' for me  
Yes, i'm fallin', fallin' over you  
Now we're fallin', fallin', fallin' back down  
Fallin' back down  
Uuh... uh  
Oh... ouh  
Uuh... woah uh  
Hey... Yeah  
Don't ask 'cause i could never loved you back

'Cause i've enough to watch you fallin' to my hands  
Don't ask, 'cause i could never loved you back  
Oh uh no  
Now you're fallin', fallin', fallin' for me  
And i'm fallin', fallin' over you  
Now we're fallin', fallin', fallin' back down  
Oh why did i go?  
Fallin', fallin', fallin' for me  
Fallin', fallin' over you  
Why did you call?  
...Our last kiss enough, enough, enough  
'Cause you're fallin', fallin', fallin' for me  
Yes i'm fallin', fallin' over you  
Now we're fallin', fallin', fallin' back down  
Fallin' back down, fallin' back down  
'Cause you're fallin', fallin', fallin' for me  
Yes i'm fallin', fallin' over you  
Now we're fallin', fallin', fallin' back down  
Fallin' back down
