Illuminate

Afrojack & Matthew Koma

Use you down for takes
But our heart that maybe matter
And design all your fate
Without fear of what you're afterSomewhere you keep all your halo
Scared of what they don't know
Open up your window shades
And Illuminate,Illuminate
Let nothing in your way
Illuminate
Go on and shine on (Oh, oh oh, oh, oh oh)Go on and shine on (Oh, oh oh, oh, oh oh)
Go on and shine on (Oh, oh oh, oh, oh oh)
Go on and shine on (Oh, oh oh, oh, oh oh)
Gooo!!
(Oh, oh oh, oh, oh oh)
(Oh, oh oh, oh, oh oh)
(Oh, oh oh, oh, oh oh)
Gooo!!Is your sanity poor?
Cause you're starving for a reason
Make your sickness a cure
You invent what you believe inSomewhere you keep all your halo
Scared of what they don't know
Open up your window shades
And Illuminate,Illuminate
Let nothing in your way
Illuminate
Go on and shine on!
Go on and shine on!
Gooo!!
(Oh, oh oh, oh, oh oh)
(Oh, oh oh, oh, oh oh)(Oh, oh oh, oh, oh oh)
Gooo!!
(Oh, oh oh, oh, oh oh)
(Oh, oh oh, oh, oh oh)(Oh, oh oh, oh, oh oh)
Gooo!!
And illuminate
Illuminate
Let nothing in your way
Illuminate
Go on and shine on!
Go on and shine on!
Go on and shine on (Oh, oh oh, oh, oh oh)
Go on and shine on (Oh, oh oh, oh, oh oh)

Gooo!!
