

# Drugs Or Me

## Jimmy Eat World

Stay with me, you're the one I need  
You make the hardest things seem easy  
Keep my heart somewhere drugs don't go  
Where the sun shines slow, always keep me close  
If only you could see  
The stranger next to me  
You promise, you promise that you're done  
But I can't tell you from the drugs  
Don't let go, we'll dig a great big hole  
Down an endless hole we'll both go  
You're so blind, you can't save me this time  
Hope comes from inside and I feel so low tonight  
If only you could see  
The stranger next to me  
You promise, you promise that you're done  
But I can't tell you from the drugs  
I wish that you could see  
This face in front of me  
You're sorry, you swear it, you're done  
But I can't tell you from the drugs  
Take me, I need your hands  
So far, to pull me up  
Take the wheel out from me  
So far out from me  
If only you could see  
The stranger next to me  
You promise, you promise that you're done  
But I can't tell you from the drugs  
I wish that you could see  
This face in front of me  
You're sorry, you swear it, you're done  
But I can't tell you from the drugs  
Keep my heart  
Somewhere drugs don't go  
Where the sun shines slow  
Always keep me close
