

Never Like This

[Danielle Bradbery](#)

Wake up, put my feet on the floor
I see colors I've never seen before
It scares me and shakes me down the core
Cause I know for certain that nothing's for sureOo-oo-oo-oo-oo-oo-oooh,
oo-oo-oo-oo-oo-oo-ooohIt happened so fast, so much to lose
Falling fifty miles an hour without a parachute
Trying to resist, but I can't refuse
I'm feeling feelings that I never knewOo-oo-oo-oo-oo-oo-oooh, yeah
oo-oo-oo-oo-oo-oo-oooh, ooh
I throw my heart out in the open
I always thought love could be mine, but
Never like this
I've been afraid of being broken
I've laid it all out on the line, but
Never like thisI found myself in a situation
No walls, no reservations
Diving in deep, no hesitations
It's taking too time and I'm tired of waitingOo-oo-oo-oo-oo-oo-oooh, oh
oo-oo-oo-oo-oo-oo-oooh, oo-ooohI throw my heart out in the open
I always thought love could be mine, but
Never like this
I've been afraid of being broken
I've laid it all out on the line, but
Never like this
Never like this
Never like this
Never like this
I throw my heart out in the open
I always thought love could be mine, but
Never like this
I've been afraid of being broken
I've laid it all out on the line, but
Never like thisNever like this
Never like this
Never like thisOh
