Fuck You (feat. Meek Mill)

Yo Gotti

```
fuck you
               fuck you
               fuck you
               fuck you
           (tell a hater i said)
               fuck you
               fuck you
                (pussy)
               fuck you
          tell your bitch i said
         Fuuuuuuccccckkkk
                  ME
            ass up face down
             one night only
          im from outta town
ha new rules homiewe aint waiting oon it
and if that pussy good we spend cake on it
              plane ticket
                 hotel
                new bed
              this shannel
                sneakers
              his and hers
           if you a hater i just
             TWO WORDs
              jaylyn Cole
```
