

Anticipating

Britney Spears

Top down, on the strip
Lookin' in the mirror and
I'm checkin' out my lipstick
Girlfriends up in the back
We're out for an all night Feelin' so crazy cool
Vibe so right
Don't know if they're ready for it
Valet baby, here's the keys
About to step inside Skip on the drinks
Head to the floor
Makin' my way
And that's for sure
My body's takin' over
And I want some more
(Woh yea yea)
I'll be anticipating
This is our song, they're playin'
I wanna rock with you
(Rock with you)
You're feelin' this way
Let's do this tonight Step up baby, don't be shy
I know you're feelin' me
'Cuz your given me the eye
And I don't wanna play around
Baby watch me one move Check this let's make a scene
Don't leave me waiting longer
Why you wanna make me long for ya?
Move it baby over here
So we can set it off
We can get down to the DJ's sound
Feelin' so good, baby all around
Feelin' kinda naughty
Come and get me now
(Woh ohh yea) I'll be anticipating
(Cipating)
This is our song, they're playin'
I wanna rock with you
You're feelin' this way
Let's do this tonight
(Ohh) I'll be anticipating
This is our song, they're playin'
(They're playin')
