

Baby, Baby, My Love's All for You

[Deniece Williams](#)

Single: Baby, Baby, My Love Love's All For You Baby, baby, baby my love's all for you

Baby, baby, baby my love's all for you

Baby, baby, baby my love's all for you When you give love,

You will be loved

By the one you say you want

I knew at first I fell in love

When I saw you

I need you

So I can feel you

'cause you're the one I'm thinking of

You're a different kind of love,

My dream come true

I'm all together lovely being loved by you

And all together lovely is my love for you

I'm all together lovely being loved by you

And all together lovely is my love Baby, baby, baby my love's all for you

Baby, baby, baby my love's all for you This is the first time

That a love's all mine

To cherish and to hold

The greatest story ever told,

Is how I found you

I thank the day

You came my way

Only death will make us part

You will always have my heart,

Now I feel brand new

I'm all together lovely being loved by you

And all together lovely is my love for you

I'm all together lovely being loved by you

And all together lovely is my love Baby, baby, baby my love's all for you

Baby, baby, baby my love's all for you
