

I Believe

Diana DeGarmo

oohhh - yeah Have you ever reached a rainbows end, did you find your pot of gold (mmm)

Ever catch a shooting star?

Tell me how high did you soar

Ever felt like you were you dreaming

Just to find that you're awake

and the magic that surrounds you

Lifts you up and guides you on your way I can see it in the stars across the sky,

Dreamt a hundred thousand dreams before

Now I finally realize

See I waited all my life

for this moment to arrive

And finally, (yeah)

I believe in the impossible

If I reach deep within my heart

oh yeah

overcome any obstacle

wont let this dream fall apart

see i strive to be the very best

shine my light for all to see

cuz anything is possible

When you believe I can see it in the stars across the sky,

Dreamt a hundred thousand dreams before

Now I finally realize

See I waited all my life

For this moment to arrive

Finally I believe

I believe

oo

hhh yeah Love keeps lifting my higher

Lifting me higher

Love keeps lifting me higher

I said love keeps lifting, love keeps lifting me high

I said love, keeps lifting me higher

I said love, keeps lifting me higher

oh love, love keeps lifting me high

I said love, love keeps lifting me high
