

# Siren Song

## Erasure

Ever faithful I endure to listen for the sound of the siren song  
Ragged whispers of imprisoned sisters  
Cutting through real life, drawing me near  
The colour of the pure in soul  
Like water shall fill the cloudless sky  
Try to feel the splendour of it all  
Embrace the honesty of nightfall  
Try to feel the anguish of it all  
And wrap yourself up in every facet of emotion, oh  
Hearts that cry diamond tears  
Spirits that walk for a thousand years  
Hear them calling on that darkest morning  
Pulling me under, my thoughts disappear  
The colour of the pure in soul  
Like water shall fill the cloudless sky  
Try to feel the splendour of it all  
Embrace the honesty of nightfall  
Try to feel the anguish of it all  
And wrap yourself up in every facet of emotion, oh  
The colour of the pure in soul  
Like water shall fill the cloudless sky  
Try to feel the splendour of it all  
Embrace the honesty of nightfall  
Try to feel the anguish of it all  
And wrap yourself up in every facet of emotion, oh  
Try to feel the splendour of it all  
Embrace the honesty of nightfall  
Feel love, feel joy, feel pain  
Got a feelin' they're on their way, ohh
