

Two Face

YNW Melly

Melly and Melvin, two face
Melly and Melvin, two face
Melly and Melvin, two face (Dun Deal on the track)
Melly and Melvin, two face
Marvin and Melvin, two face (Marii Beatz, turn me up)
Marcus and Melvin, two face
Melly and Melvin, two face (DJ, go, let's go, let's go)
Melly and Melvin, two face I am two face, slime, slime
I commit all Melly crime
I will never let him drop a dime
Melvin kill you, and he do the time
I'm a slimeball
Watch your back, we'll slime y'all
Uh, uh, I'm a slime ball, uh
Watch your back, we'll slime y'all
I'm a slimeball, and I'll admit it, dawg
Pullin' up, give it all, let me get it all
Your bitch, she a thot, and I know on the low
She gon' fuck on me and all my bros
Bend it over and bust it
Up that toolie, no discussion
Niggas sayin' that they with it, niggas sayin' that they solid
Hoo, all these goddamn bodies
So many killers in the room, it's like thirteen bodies in here
These niggas know we don't play
I don't want you to say no more, don't wanna say no more
Don't wanna play no more (Play no more)
Don't wanna play no more (Play no more)
I am Melvin, yeah
I'm really steppin', yeah
The Smith & Wesson, yeah
I want a F&N now
Give me that, uh, give me racks
I'm cockin' the semi back
I'm bustin' it at your ass
No cap, no cap, bitch
I ain't with the rap shit
Nigga want pressure, we pull up
Hold up, that was a sneak diss
Hold up, wait, wait, bitch
Do you like to see this?
That's your best friend, and on Twitter

And he was like, "Yeah, just tweet this"
Now you'll die 'bout a sneak diss, damn
Young nigga poppin' shit
You niggas the opposite
They run from the cops and shit
Don't snitch to the cops
Don't fuck with the opps
You niggas don't want it
You're gamblin' with your life
She fuckin' on Melly Baby
She say she like mice
I can't even see her eyes
I hit a lick for some merchandise
Do you want to rock with Melvin?
Big ass Glock, he steppin' in Giuseppe
Wanna kiss, bitch, wait a second
I'm too fuckin' reckless
I'm receivin' texts
Melly and Melvin, two face
Melly and Melvin, two face
Melly and Melvin, two face
Melly and Melvin, two face
Marvin and Melvin, two face
Marcus and Melvin, two face
Melly and Melvin, two face
Melly and Melvin, two face I wanna get it, ooh, yes
Thick yellow bitch with tender lil' breasts
I made a million now, all the way, yeah, nigga
It's so crazy
I'm only nineteen, I'm still a baby
Don't wanna fuck with that bitch, that ho is shady
Go away please I am two face, slime, slime
I commit all Melly crime
I will never let him drop a dime
Melvin kill you, and he do the time
I'm a slimeball
Watch your back, we'll slime y'all
Uh, uh, I'm a slime ball, uh
Watch your back, we'll slime y'all Santa Claus, I was not behavin' for it
Stompin' on these pussies in my Concorde
Grandma used to whoop me with extension cord
Butter and milk, some shit that we couldn't afford
I started off on the porch
I had to jump out the Porsche
Because I wanted some more
Yeah, I wanted some more
This life, I couldn't afford
But now I can fuckin' afford it
'Posed to be my baby mama

But you switched sides and aborted
Melly and Melvin, two face
Melly and Melvin, two face
Melly and Melvin, two face
Marvin and Melvin, two face
Marcus and Melvin, two face
Melly and Melvin, two face
Melly and Melvin, two face
