

# you've got a friend in me (sing-a-long)

[Christina Perri](#)

You've got a friend in me  
You got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your nice warm bed  
You just remember what your old pal said  
You got a friend in me You've got a friend in me  
You got a friend in me  
You've got troubles, I got 'em, too  
There isn't anything I wouldn't do for you  
We stick together and see it through  
'Cause you got a friend in me  
Yeah, you got a friend in me  
Some other folks might be a little bit smarter than I am  
Bigger and stronger, too  
But none of them will ever love you the way I do  
It's me and you  
And as the years go by  
Our friendship will never die  
You're gonna see, it's our destiny  
You got a friend in me  
Yeah, you got a friend in me
