

# Lies of the Lonely (feat. Connie Britton)

## Nashville Cast

Well this bed feels better  
With nobody in it  
Well thank god I don't have nobody blowing up my phone  
Well it's a friday night  
And I'm gonna spend it how I want  
Cause I've always been a whole lot happier on my own  
Oh the lies of the lonely  
Are the empty words of a solitary mind  
And the skies, you think they don't see  
Can't hide the lonely in your eyes  
I don't wanna be no ball and chain  
I don't wanna wear no heavy ring (the lies of the lonely)  
I don't wanna be somebody's other  
I got my friends don't need no lover  
Well I love being single  
I love my freedom  
I love telling everybody that we're not together anymore  
And all of those love songs  
Well they can keep em to themselves  
Cause I'm so much better off than I was before  
Oh the lies of the lonely  
Are the empty words of a solitary mind  
And the skies, you think they don't see  
Can't hide the lonely in your eyes  
I don't wanna be no ball and chain  
I don't wanna wear no heavy ring  
I don't wanna be somebody's other  
I got my friends don't need no lover  
Oh the lies of the lonely  
Are the empty words of a solitary mind  
And the skies, you think they don't see  
Can't hide the lonely in your eyes  
Can't hide the lonely in your eyes  
The lies of the lonely  
The lies of the lonely  
The lies of the lonely
