

# Take Me With You When You Go

Jack White

Take me anywhere you go  
I've got nothin' here but me, babe  
Take me with you when you go I got a feelin' my minds in the sky  
And I can't catch a breath  
Or a break like a guy who's stranglin' babe  
For help, not attention  
And then, not to mention, the dame that was mine  
And I thought and I know  
And that what's goin' on in my eyes  
And my hands could be robbin' without any knowledge  
I know that helpin' yourself could be hurtin' or harmin' someone I got a feelin' my minds in the  
sky  
And I can't catch a breath  
Or a break like a guy who's stranglin' babe  
For help, not attention  
And then, not to mention, the dame that was mine  
And I thought and I know  
And that what's goin' on in my eyes  
And my hands could be robbin' without any knowledge  
I know that helpin' yourself could be hurtin' or harmin' someone  
Take me anywhere you go  
I've got nothin' here but me, babe  
Take me with you when you go
