## Take Me With You When You Go

## **Jack White**

Take me anywhere you go
I've got nothin' here but me, babe
Take me with you when you goI got a feelin' my minds in the sky
And I can't catch a breath
Or a break like a guy who's stranglin' babe
For help, not attention
And then, not to mention, the dame that was mine
And I thought and I know

And that what's goin' on in my eyes
And my hands could be robbin' without any knowledge
I know that helpin' yourself could be hurtin' or harmin' someoneI got a feelin' my minds in the

And I can't catch a breath

Or a break like a guy who's stranglin' babe

For help, not attention

And then, not to mention, the dame that was mine

And I thought and I know

And that what's goin' on in my eyes

And my hands could be robbin' without any knowledge I know that helpin' yourself could be hurtin' or harmin' someone

Take me anywhere you go I've got nothin' here but me, babe Take me with you when you go
