

Feral Hearts

Kerli

The whole world trying
To tame the spark
But we've got fire
Burning bright, Hidden
Catch the shimmer Of showering stars
The sky gets dimmer And your light
Shows...

You are the vision I'm looking for (looking for)

Make me remember all I forgot

Watch me become just an animal

Naked to nothing more than who we are

Feral Hearts

In the night

Loving like we've been kept captive

Free to light

Feral Hearts

Come alive

Loving like we've been kept captive

Free to...

Oh-oh-oh-oh Ah-ah-ah-ah-ah Oh-oh-oh-oh

Ah-ah-ah-ah-ah Feral, Feral,

Feral Hearts

Feral, Feral,

Feral Hearts

Oh-oh-oh-oh

Ah-ah-ah-ah-ah

Oh-oh-oh-oh

Ah-ah-ah-ah-ah

Feral,

Feral,

Feral Hearts

Feral,

Feral,

Feral Hearts

The whole world trying

To blind the way home

But we've got shelter

Deep inside,

Secret

Tame the whispers

Of winds as they blow

Feel my shivers

In your arms

Stop...
You are the vision I'm looking for (looking for)
Make me remember all I forgot
Watch me become just an animal
Naked to nothing more than who we are
Feral Hearts
In the night
Loving like we've been kept captive
Free to light
Feral Hearts
Come alive
Loving like we've been kept captive
Free to...
Oh-oh-oh-oh
Ah-ah-ah-ah-ah
Oh-oh-oh-oh
Ah-ah-ah-ah-ah
Feral,
Feral,
Feral Hearts
Feral,
Feral,
Feral Hearts
Oh-oh-oh-oh
Ah-ah-ah-ah-ah
Oh-oh-oh-oh
Ah-ah-ah-ah-ah
Feral,
Feral,
Feral Hearts
Feral,
Feral,
Feral Hearts
