

# Warrior

## Havana Brown

I am a fighter, it's in my DNA  
Step by step, and brick by brick, nobody stopping me  
Quit try to shoot me down, 'cause I'm invincible  
I think you made a mistake, I am warrior I stand like a soldier, yeah  
Strike like a tiger  
I stand like a soldier, yeah  
Punch like a champion I'm gonna dance, dance, dance to the beat of my drum  
Gonna feel my blood running wild and young  
Gonna dance, dance, dance to the beat of my drum  
Like a warrior Warrior  
Warrior  
Warrior  
Warrior

I am a blizzard, so don't get in my way  
I keep on blowing 'til there's nothing left in front of me  
You wanna take my crown, but I'm invincible  
You are a venomous snake, but I'm a warrior I stand like a soldier, yeah  
Strike like a tiger  
I stand like a soldier, yeah  
Punch like a champion I'm gonna dance, dance, dance to the beat of my drum  
Gonna feel my blood running wild and young  
Gonna dance, dance, dance to the beat of my drum  
Like a warrior Warrior  
Warrior  
Warrior  
Warrior

People can say what they wanna say  
When I'm in the ring, baby, I'm heavy-weight  
I'm not gonna run when I hear them call, hear them call I stand like a soldier, yeah  
Strike like a tiger  
I stand like a soldier, yeah  
Punch like a champion I'm gonna dance, dance, dance to the beat of my drum  
Gonna feel my blood running wild and young  
Gonna dance, dance, dance to the beat of my drum  
Like a warrior Warrior  
Warrior  
Warrior
