

Wild Child

Adrian Lux & Marcus Schossow

(I'm out of my mind)
Feeling the birth of a new day
Kissing the sunrise with my soul
Yesterday promises have been made
I feel the birth of a new day
I'm stepping out the light
For the very first time
I'm a wild child
I'm out of my mind
I'm one of a kind
I'm a wild child
I'm out of my mind
I'm out of my mind
I'm out of my mind
I'm out of my mind
I'm out of my mind
I'm out of my mind
I'm one of a kind
I'm a wild child
