

Homicide (feat. BandGang Lonnie Bands)

Shoreline Mafia

[Chorus: Ohgeesy]

This a BandGang, Off The Xan Gang
When I'm in the A, I be post with ManMan
When I'm in the D, I be post with Lonnie
And my bitch with the shits like she Bonnie
(Ron-Ron do that shit)

Glock forty, gotta tuck it by my Tommys
Chain swangin', if you reach, it's a homi'
It's gon' be a homicide, I don't work a nine to five
I be sellin' dope in the trap, gettin' hella high

[Verse 1: Ohgeesy]

Niggas barely gettin' by, they be on some bum shit
I be on some take all the bread and the crumbs shit
Your bitch a cold piece, she swallow all my munchkins
Suckin' on my dick in the middle of the function
Suckin' on my dick in the middle of the party
VLONE like Bari, said I'm daddy like I'm Maury
Tryna have a menage just like Safaree
Three car gar-in-age and it's full of Ferraris
I be sippin' lean, I don't really sip Bacardi
I made it off the coke, and the dope, and the molly
I be sippin' lean, I don't really sip Bacardi
I made it off the dope, and the coke, and the molly

[Chorus: Ohgeesy]

This a BandGang, Off The Xan Gang
When I'm in the A, I be post with ManMan
When I'm in the D, I be post with Lonnie
And my bitch with the shits like she Bonnie
Glock forty, gotta tuck it by my Tommys
Chain swangin', if you reach, it's a homi'
