Blueside

Rooney

The colors have built up in my mind They're bleeding through my heart But nobody knows that they exist Look at my bursting veins Now do you see the red in me It's a sign for the endOnly the end of the red Will show you my blueside Only the end of the red Will show you my blueside Well I've been given my brush and plate Where will I paint my life And will the buyer in the sky Believe in what I dream And it's so hard for me to explain What I will miss to myselfOnly the end of the red Will show you my blueside Only the end of the red Will show you my bluesideOnly the end of the red Will show you my blueside Only the end of the red Will show you my blueside Only the end of the red Will show you my blueside Only the end of the red Will show you my bluesideHuh, huh uh, uh Huh, huh uh, uh Huh, huh uh, yeah Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
