

# I Want You to Want Me

Lindsay Lohan

I can't stop thinkin 'bout him  
(Can't stop) no I just can't do it  
(Won't stop) tryna to get him off my mind  
It's just how it is  
I can't stop my heart starts beating  
(Can't stop) every time I start to call him  
(won't stop) tryna to get him off my mind  
Can't stop, can't stop  
But I know we'll never be  
Maybe tomorrow we will be  
A better day but I think it's too late  
I've read tales of sorrow  
But never meant for me  
Never had the feeling  
That it would ever end for you and me  
Can't even put in word how it hurts so  
But I can't stand it  
What we had is now in the past  
Was I na??ve to think it would last?  
Cause I can't stop  
I can't stop thinkin 'bout him  
(Can't stop) no I just can't do it  
(Won't stop) tryna to get him off my mind  
It's just how it is  
I can't stop my heart starts beating  
(Can't stop) every time I start to call him  
(won't stop) tryna to get him off my mind  
Can't stop, can't stop  
But I know we'll never be  
And if there was no tomorrow  
Almost like when your time was borrowed  
And not a minute wasted made everyday dream  
Maybe I was too giving  
But I thought that life was for livin  
Never was concerned with said no  
I don't understand it  
What we had is now in the past  
Was I na??ve to think it would last?  
Cause I can't stop  
I can't stop thinkin about him  
Can't stop no I just can't do it  
Won't stop tryna to get him off my mind

It's just how it is  
I can't stop my heart starts beating  
Can't stop every time I start to call him  
I won't stop tryna to get him off my mind  
Can't stop, can't stop  
But I know we'll never be  
Can't stop thinkin about him  
Can't stop thinkin about him  
Can't stop thinkin about himhuh huh huh huh  
Can't stop thinkin about him  
Can't stop thinkin about him  
Can't stop thinkin about him  
Oh no I know I can't  
I can't stop thinkin about him  
Can't stop no I just can't do it  
Won't stop tryna to get him off my mind  
It's just how it is  
I can't stop my heart starts beating  
Can't stop every time I start to call him  
I won't stop tryna to get him off my mind  
Can't stop, can't stop  
But I know we'll never be  
Can't stop (I can't stop)  
Can't stop (I can't stop)  
Won't stop (oooh heeey it's how it is)  
I can't stop (i can't stop)Can't stop (I can't stop lovin you)I won't stop (i won't stop oh no
