

# Time, Love and Tenderness

Michael Bolton

Time, love and tenderness So you say that you can't go on  
Love left you cryin'  
And you say, all your hope is gone  
And what's the use in tryin' What you need is to have some faith  
Shake off those sad blues  
Get yourself a new view Oh, nothing is as sad as it seems, you know  
'Cause, some day you'll laugh at the heartache  
Some day, you'll laugh at the pain  
Somehow you'll get through the heartbreak  
Somehow you can get through the rain  
When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart  
Like time, love and tenderness You think your world is over  
Baby, just remember this  
Nothing heals a broken heart  
Like time, love and tenderness  
Time, love and tenderness I understand how you're feeling now  
And what you've been through  
But your world's gonna turn around  
So baby, don't you be blue All it takes is a little time  
To make it better  
The hurt won't last forever  
Oh, all your tears are all gonna dry, you know  
'Cause some day you'll laugh at the heartache  
Some day you'll laugh at the pain  
You may be down on your luck  
But baby, that old luck's gonna change When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart  
Like time, love and tenderness You think your world is over  
Baby, just remember this  
Nothing heals a broken heart  
Like time, love and tenderness Baby, oh baby  
Just need some, just need some  
Time, love and tenderness The hurt ain't gonna last forever Time, love and tenderness  
Time, love and tenderness When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart  
Like time, love and tenderness You think your world is over  
Baby, just remember this  
Nothing heals a broken heart

Little bit time, love and tenderness  
When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart

Like time, love and tenderness  
You think your world is over  
Baby, just remember this

Time, love and tenderness  
When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart

Like time, love and tenderness  
You think your world is over  
Baby, just remember this

Time, love and tenderness  
When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart

Like time, love and tenderness  
You think your world is over  
Baby, just remember this

Time, love and tenderness  
When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart

Like time, love and tenderness  
You think your world is over  
Baby, just remember this

Time, love and tenderness  
When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart

Like time, love and tenderness  
Time, love and tenderness  
Time, love and tenderness  
Time, love and tenderness
