

# Since I Lost My Baby

Luther Vandross

SINCE I LOST MY BABY

William Robinson, Jr and Warren Moore The sun is shining, there's plenty of light

A new day is dawning, sunny and bright

But after I've been crying all night

The sun is cold and the new day seems old

Since I lost my baby

Oh since I lost my baby The birds are singing and the children are playing

There's plenty of work and the bosses are paying

Not a sad word should a young heart be saying

But fun is a bore, and with money I'm poor

Since I lost my baby (Since I lost my baby)

Oh since I lost my baby

My baby, my baby, my baby

Next time I'll be kinder, to my baby

Won't you please help me find her (I've got to find that girl)

Someone just remind her (Someone just remind her x2)

Of this love she left behind her (Of Me)

Till I find her I'll be trying to (Till I find her, I'll be trying to)

Everyday I'm growing kinder

Tryin'

Inclined to

Find her

Inclined to find my baby (My baby)

Been looking everywhere (My baby)

Hey baby I really really care My determination is fading fast

So fast, so fast so fast

Inspiration is a thing of the past

I can't see how my hope's gonna last

Good things are bad and what's happy is sad

So sad, so sad, I'm sad, so sad, so sad

Since I lost my baby (since I lost my girl)

Oh Since I lost my baby (since I lost my baby)

I feel so bad, (Got to find that girl, I've got to find that girl)

I feel so sad, yeah-eh,

Since I lost my-, since I lost my-, my, my, my, my baby

Cause everything is gone, (Got to find that girl, I've got to find that girl)

And it's hard girl, to carry on,

Since I lost my-, since I lost my-, my, my, my, my baby

I know its up to me, (Got to find that girl, I've got to find that girl)

What's gonna happen to me

Since I lost my baby

What's gonna happen to me

Oh I don't, I don't know, what I'm gonna do no, no, no, no I don't know  
Since I lost my baby,  
I don't know, I don't know, What to do without, my girl, my girl, my girl, I don't know Since I  
lost my baby,  
I can't find her no where, no where, no where, no where, no where oh no  
(Don't know, I don't know, since I lost my baby, I don't know, since I lost my baby, yeah)  
Yeah, I can't find them no where, no where, no where, no where no where, no where, no where,  
no where  
(Don't know, I don't know, since I lost my baby, I don't know, since I lost my baby, yeah)I can't  
find them no where, no where, no where, no where, no where  
(Don't know, I don't know, since I lost my baby, I don't know, since I lost my baby, yeah)I can't  
find them no where, no where, no where, no where, no where (fade)
