

# Wide Awake

## Dexter Freebish

I'm wide awake  
Its two in the morning  
No time to take a break  
Don't throw it all away When the sun comes up  
I'll think about tomorrow  
Every second I take  
Cause I'm living for today My world is spinning'  
Round and round  
Doesn't matter where I am  
As long as I'm with you I belong I like it when you're on the floor  
Whose the man behind the door  
Oh wait its me  
I'll sing along  
Cause I'm wide awake  
Its two in the morning  
No time to take a break  
Don't throw it all away When the sun comes up  
I'll think about tomorrow  
Every second I take  
Cause I'm living for today My world is spinning'  
Round and round  
Doesn't matter where I am As long as I'm with you I belong I like it when you're on the floor  
Whose the girl behind the door  
Oh wait its you  
We'll sing along  
If you ever see me slipping away  
Please hold on to me tight  
If you never see the light of day  
Please hold on to the night Cause I'm wide awake  
Its two in the morning  
No time to take a break  
Don't throw it all away When the sun comes up  
I'll think about tomorrow  
Every second I take  
Cause I'm living for today  
[X2] If you ever see me slipping away  
Please hold on to me tight  
If you never see the light of day  
Please hold on to the night Cause I'm wide awake  
[X4]
