

# It's Not Unusual

Cher

It's not unusual to be love by anyone  
It's not unusual to have fun with anyone  
When I see you hanging about with anyone  
It's not unusual to see me cry  
I wanna dieIt's not unusual to go out at anytime  
When I see you out and about it's such a crime  
If you should ever want to be love by anyone  
It's not unusual it happens every day  
No matter what you say  
You'll find it's happens all the time  
Love will never do whatcha you want it to  
Why can't this crazy love be mine  
It's not unusual to be mad at anyone  
It's not unusual to be sad with anyone  
But if I ever find that you have changed at anytime  
It's not unusual to find out I'm in love with you
