

# Paper Dreams

Jamie N Commons

[Intro]

Hmm, hmm

Hmm, hmm[Verse 1]

It's been a hard time living here out by myself  
It's been a hard time caring now 'bout someone else  
'Cause when that girl gone left I nearly lost my mind  
It's been a long time coming but I feel alright  
And I'm feeling alright, now

Hmm, hmm

Yet I'm feeling alright, now

Hmm, hmm

[Verse 2]

I swear that I had broken free now living for myself  
I've been seeking medication, huh, with someone else  
But every time I think it's over don't she come around, uh  
Racing through my mind and just bringing me down[Chorus]  
These paper dreams they still find a way to my heart  
All these years they keep tearing me apart, yeah  
Wasted words, well, it never seems to stop now  
I thought you're all that I need

But I'm living paper dreams, paper dreams[Post-Chorus]

Hmm, hmm[Verse 3]

I'm shaking just enough now here to hold this line  
I wish I had an affidavit girl to know your mind  
Well, it's a cold, cold world that I'm holding to  
Keep me in the dark, babe, I don't want your truth

[Chorus]

These paper dreams they still find a way to my heart  
All these years they keep tearing me apart, yeah  
Wasted words, well, it never seems to stop now  
I thought you're all that I need

But I'm living paper dreams, paper dreams[Bridge]

Hmm, hmm

Hmm, hmm

Hmm, hmm

Hmm, hmm[Chorus]

These paper dreams they still find a way to my heart  
All these years they keep tearing me apart, yeah  
Wasted words, well, it never seems to stop now  
I thought you're all that I need

But I'm living paper dreams

These paper dreams they still find a way to my heart

All these years they keep tearing me apart, yeah  
Wasted words, well, it never seems to stop now  
I thought you're all that I need  
But I'm living paper dreams, paper dreams
