## Carrie Underwood

Whatcha gonna do with the 36 cents  
Sticky with Coke on your floorboard  
When a woman on the street is huddled in the cold  
On a sidewalk vent trying to keep warm Do you call her over, hand her the change  
Ask her story, ask her her name  
Or do you tell yourself You're just a fool  
Just a fool to believe you can change the world  
You're just a fool  
Just a fool to believe you can change the world Oh, whatcha gonna do when you're watching TV  
And an ad comes on, yeah you know the kind  
Flashing up pictures of a child in need  
For a dime a day you could save a life  
Do you call the number, reach out a hand  
Or do you change the channel, call it a scam  
Or do you tell yourself You're just a fool  
Just a fool to believe you can change the world  
Don't listen to 'em when they say  
You're just a fool  
Just a fool to believe you can change the world Oh, the smallest thing can make all the difference  
Love is alive, don't listen to 'em when they say  
You're just a fool  
Just a fool to believe you can change the world The world's so big it can break your heart  
And you just want to help not sure where to start  
So you close your eyes, and send up a prayer into the dark  
You're just a fool  
Just a fool to believe you can change the world  
Don't listen to 'em when they say  
You're just a fool  
Just a fool to believe you can change the world  
Oh, the smallest thing can make all the difference  
Love is alive, don't you listen to 'em when they say  
You're just a fool  
Just a fool to believe you can change the world
