

# Please Read the Letter

Robert Plant & Alison Krauss

Caught out running but just a little too much to hide  
Maybe, baby, everything's gonna turn out fine  
Please read the letter, I nailed it to your door  
It's crazy how it all turned out, you needed so much more  
Too late, too late, the fool can read the signs  
Maybe, baby, you better check between the lines  
Please read the letter, I wrote it in my sleep  
With help and consultation from the angels of the deep  
Please read the letter that I wrote  
Please read the letter that I wrote  
Once I stood beside the well of many words  
My house was full of rings and charms and pretty birds  
Please understand me, my walls came falling down  
There's nothing here that's left for you but check with lost and found  
Please read the letter that I wrote  
Please read the letter that I wrote  
Please read the letter that I wrote  
One more song just before we go  
Remember, baby, you gotta reap just what you sow  
Please read my letter and promise me you'll keep  
The secrets and the memories we cherish in the deep  
Please read the letter, I nailed it to your door  
It's crazy how it all turned out, we needed so much more  
Please read the letter that I wrote  
Please read the letter that I wrote  
Please read the letter that I wrote  
Please read the letter that I wrote  
Please read the letter  
Please read the letter
