

Together (Frischia & Lamboy Short Club Mix)

Bob Sinclar & Steve Edwards

Oh yeah, we're back now, oh More bad news on the radio
Planet Earth, she's about to explode, yeah
The stars have lost their shine today
They have all been blown away
Together, only hope can be the way
Let me hear you say One day, we'll be together
We'll never be apart
One heart, one mind, yeah
One day, we'll be together
Remember this whole world
Is yours and mine, yeah, oh
See that man with a pen and gun
Says it? s over for everyone, oh no
No, I don't believe it's true
But I guess it? s up to me and you
Together, we will find a way through, yeah
I believe in you One day, we'll be together
We'll never be apart
One heart, one mind, yeah
One day we'll be together, yeah
Remember this whole world
Is yours and mine, yeah, oh One day, we'll be together, yeah, yeah
One heart, one mind, together
All around the world
Everybody sing it, every boy and girl
Alright
One day, we'll be together, yeah
One day oh, it? s gonna be alright, oh yeah
One day, one day, we'll be together, yeah
One day, we'll be together, yeah C? mon now, everybody c? mon
Everybody sing it right now
Everybody now,? coz I believe in you
Yes, I do, it? s gonna be alright, yeah
It? s gonna be alright, yes Sing it loud, yeah, sing it loud, yeah
Sing it loud, yeah, sing it loud, yeah
Sing it loud, yeah
Oh, yeah, it? s gonna be alright Oh, yeah, oh, it? s gonna be alright
It? s gonna be alright, yeah
Let me hear you say One day, we'll be together
We'll never be apart
One heart, one mind, yeah
One day, we'll be together, yeah

Remember this whole world
Is yours and mine, yeah Remember this whole world
Is yours and mine, oh yeah
One day, one love
One heart, one mind, yeah, yeah
