

# Hellbent (feat. Snowblood)

## Mystery Skulls

I've been hellbent, baby  
Hellbent on lovin' you all day long  
Hellbent on drugs 'cause it turned you on  
Don't know what else to do  
I've been hellbent, baby  
Hellbent on makin' you love me, too  
Even though not what I'm supposed to do  
I don't give a damn I've been hellbent, baby (I've been hellbent, baby)  
It's been too long, baby (I've been too long, baby)  
My eyes wide shut (My eyes wide shut)  
And I feel your touch (I feel your touch)  
I'll prove you wrong (Prove you wrong)  
You make me strong (You make me strong)  
I said, all I need is, all I need is, all I need is you
