

Disco Medley (Live At Houston Astrodome)

Selena

How ya doin' houston, texas?
first i was afraid, i was petrified
kept thinking i could never live without you by my side
but then i spent so many nights just thinking
how you did me wrong, and i grew strong
and i learned how to get along
and now you're back from outer space
don't turn around, 'cause you're not welcome anymore
weren't you the one who tried to hurt me with goodbye
you think i'd crumble, you think i'd lay down and die
now go now go, walk out the door
don't turn around now 'cause you're not welcome anymore
weren't you the one who tried to hurt me with goodbye
you think i'd crumble, you think i'd lay down die
oh no not i
i will survive
as long as i know how to love,
i know i'll stay alive
i've got all my life to live,
i've got all my love to give
i will survive, i will survive... hey, hey, hey
todos de pie, vamonos!
todo el mundo... eso!
everybody stand up! let's go!
everybody! that's it!
talk about it, talk about it,
talk about it, talk about it
talk about it, talk about it, talk about movin'
gotta move on Won't you take me to funky town? Let me hear you houston, texas, m'xico!
