

# Swing Wide Your Gate of Love (Remastered)

[Roy Drusky](#)

Swing wide your gate of love open up your heart  
I knew when I first met you that you'd be my sweetheart  
Swing wide your gate of love and please don't let me fall  
I know you're gonna love me after all. Swing wide the gate and leave it open  
Toward the center of my heart you'll be found  
I'll mend the heart that has been broken  
I'm not the kind of guy to let you down. So swing wide your gate of love open it for me  
You're the one the one I want my darlin' can't you see  
Make up your mind to love me and to be my turtle dove  
I love you so swing wide your gate of love. --- Instrumental --- Swing wide the gate and leave it  
open  
Toward the center of my heart you'll be found  
I'll mend the heart that has been broken  
I'm not the kind of guy to let you down.  
Make up your mind to love me and to be my turtle dove  
I love you so swing wide your gate of love...
