

# Ready, Able

## Grizzly Bear

I'm gonna take a stab at this  
Sure you will be alright  
Make a decision with a kiss  
Maybe I have frostbite  
And when I shuffled on back home  
I'll make sure all of my tracks in the snow  
Were gone  
Tissue  
and bones, it was a tryst  
This isn't a gunfight  
Checking it off my list  
Unable to rewrite  
Five years, countless months and far alone  
Hope I'm ready, able to make my own  
Good home  
They go, we go, I want you to know what I  
did, I did  
They go, we go, I want you to know what I did, I did  
They go, we go, I want you to know what I did, I did  
They go, we go, I want you to know what  
I did, I did  
They go, we go, I want you to know what I did, I did  
They go, we go, I want you to  
know what I did, I did
