## Ready, Able

## **Grizzly Bear**

I'm gonna take a stab at thisSure you will be alrightMake a decision with a kiss Maybe I have frostbite

And when I shuffled on back homeI'll make sure all of my tracks in the snowWere goneTissue and bones, it was a tryst

This isn't a gunfight Checking it off my list Unable to rewrite

Five years, countless months and far alone

Hope I'm ready, able to make my ownGood homeThey go, we go, I want you to know what I did, I didThey go, we go, I want you to know what I did, I did

They go, we go, I want you to know what I did, I didThey go, we go, I want you to know what I did, I didThey go, we go, I want you to know what I did, I didThey go, we go, I want you to know what I did, I did
